## Flemish Art Cities

4 nights

The glory of a visit to Flanders is to see the great masterpieces from the 15th century still in the churches and cathedrals for which they were intended. This small corner of Europe is so close to us but astonishingly little known. Based in Bruges, we explore the great art cities of Antwerp and Ghent.

See see Michelangelo's Madonna with Child in the Church of Our Lady, Bruges

**Day 1** We fly to Brussels and on arrival drive to the lovely city of **Bruges**. We stay for four nights' bed and breakfast accommodation at the 4-star **Grand Hotel**, located in the centre.

**Day 2** We spend the entire day in Bruges so that we can absorb and appreciate its unique charm and atmosphere. We visit the **Groeninge Museum** with its important collection of works by Memling and Van Eyck, the **Church of Our Lady** where we see Michelangelo's marble sculpture **Madonna with Child**, the decorative Gothic **Town Hall** and the cathedral.

The elegant architecture of the Grand Place, Brussels

**Day 3** We drive to **Ghent** today and at the **Cathedral of St Bavo** we see the famous Ghent Altarpiece - **The Adoration of the Myrric Lovers** by the Van Eyck brothers. There will be time to explore the historic city centre before returning to Bruges where the remainder of the day is free.

One day in the delightful city of Bruges

**Day 4** The day is spent in **Antwerp**, a city with one of the richest art collections in Europe. We visit the cathedral to see the altarpiece by **Rubens** and continue to the house and studio where the artist lived and worked. We then view the art collections at the **Mayer**

**van der Bergh Museum** and the **Royal Museum of Fine Art**. There will be some free time for independent exploration of this fascinating city.

**Day 5** We drive to Brussels, visiting the **Musee d'Art Ancien** and the **Grand Place** before transferring to the airport for our return flight.
